Idehen begins by explaining the biblical basis for prayer for healing. He shows that prayer is not just a last resort when all else fails, but a vital part of our Christian faith. He also provides practical advice on how to pray for healing, including how to pray with faith, how to pray in the Spirit, and how to pray for others.

Idehen then explores the different types of healing that prayer can bring. He discusses physical healing, emotional healing, and spiritual healing. He provides examples of how prayer has been used to heal cancer, heart disease, depression, anxiety, and other illnesses.

Idehen also addresses the issue of unanswered prayer. He explains that there are many reasons why prayers may not be answered as we expect, and he offers encouragement for those who are struggling to receive healing.

Prayer That Brings Healing is a valuable resource for anyone who is seeking healing for themselves or others. Idehen's insights and practical advice will help you to understand the power of prayer and to pray with faith and expectancy.

## Testimonials

***“I was diagnosed with cancer, and the doctors gave me only a few months to live. I started praying for healing, and within a few weeks, my tumors began to shrink. I am now cancer-free, and I believe that it is because of the power of prayer.” - Sarah J.***
