In *Table in Venice*, renowned food writer John Baxter takes readers on a culinary journey through the Floating City, exploring the rich history and culture of Venice through its food and art. From the sumptuous feasts of the Renaissance to the simple, yet delicious, dishes of today, Baxter reveals the many ways in which food has shaped the Venetian experience.

Baxter begins his journey with a visit to the Doge's Palace, where he explores the lavish banquets that were once held in the palace's Great Hall. He then takes readers to the Rialto Market, where he introduces them to the wide variety of fresh produce and seafood that is available in Venice.

From there, Baxter visits a traditional Venetian osteria, where he samples some of the city's most famous dishes, such as risotto al nero di seppia (black squid ink risotto) and baccalà mantecato (creamed salt cod).

In addition to exploring the culinary delights of Venice, Baxter also takes readers on a tour of the city's many art museums. He visits the Accademia Gallery, where he admires the works of Titian, Tintoretto, and Veronese. He then takes readers to the Peggy Guggenheim Collection, where he explores the modern art that was once collected by the American heiress. And finally, Baxter visits the Punta della Dogana, where he admires the contemporary art that is now on display in the former customs house.

Table in Venice is a must-read for anyone who loves Venice, food, or art. Baxter's engaging writing style and beautiful photography make this book a truly immersive experience. Readers will come away from this book with a deeper understanding of the Venetian culture and a newfound appreciation for the city's many culinary delights.

## **Table of Contents**

1. Chapter 1: The Doge's Palace
2. Chapter 2: The Rialto Market
3. Chapter 3: A Venetian Osteria
4. Chapter 4: The Accademia Gallery
5. Chapter 5: The Peggy Guggenheim Collection
6. Chapter 6: The Punta della Dogana

## **Chapter 1: The Doge's Palace**

The Doge's Palace is one of the most iconic buildings in Venice. It was once the home of the Doge, the supreme ruler of the Venetian Republic. The palace is a masterpiece of Gothic architecture, and its interior is adorned with stunning works of art by Titian, Tintoretto, and Veronese.

In this chapter, Baxter takes readers on a tour of the Doge's Palace, exploring the lavish banquets that were once held in the palace's Great Hall. He also introduces readers to some of the palace's most famous works of art, such as Titian's "Presentation of the Virgin" and Tintoretto's "Paradise".

## **Chapter 2: The Rialto Market**

The Rialto Market is the heart of Venice's food scene. This bustling market is where Venetians come to buy fresh produce, seafood, and other groceries. The market is also home to a number of restaurants and bars, where visitors can sample some of the city's most famous dishes.

In this chapter, Baxter takes readers on a tour of the Rialto Market, introducing them to the wide variety of fresh produce and seafood that is available in Venice. He also visits some of the market's most famous restaurants, such as Trattoria al Gazzettino and Osteria al Cicheto.

## **Chapter 3: A Venetian Osteria**

Osteria are traditional Venetian restaurants that serve simple, yet delicious, dishes. These restaurants are often family-run, and they offer a warm and welcoming atmosphere.

In this chapter, Baxter takes readers to a traditional Venetian osteria, where he samples some of the city's most famous dishes, such as risotto al nero

di seppia (black squid ink risotto) and baccalà mantecato (creamed salt cod).

#### **Chapter 4: The Accademia Gallery**

The Accademia Gallery is one of the most important art museums in Venice. The museum houses a collection of paintings by Venetian masters, such as Titian, Tintoretto, and Veronese.

In this chapter, Baxter takes readers on a tour of the Accademia Gallery, exploring some of the museum's most famous works of art. He also introduces readers to the artists who created these masterpieces.

#### **Chapter 5: The Peggy Guggenheim Collection**

The Peggy Guggenheim Collection is a modern art museum located in Venice. The museum houses a collection of works by some of the most important artists of the 20th century, such as Picasso, Kandinsky, and Pollock.

In this chapter, Baxter takes readers on a tour of the Peggy Guggenheim Collection, exploring some of the museum's most famous works of art. He also introduces readers to the artists who created these masterpieces.

#### **Chapter 6: The Punta della Dogana**

The Punta della Dogana is a former customs house that has been converted into a contemporary art museum. The museum houses a collection of works by some of the most important artists of the 21st century, such as Jeff Koons, Damien Hirst, and Ai Weiwei.

In this chapter, Baxter takes readers on a tour of the Punta della Dogana, exploring some of the museum's most famous works of art. He also introduces readers to the artists who created these masterpieces.
