

The Pool of Bethesda: Where Miracles Unfold

In the heart of Jerusalem, amidst the ancient ruins and bustling streets, there lies a place where faith and healing intertwine. The Pool of Bethesda, known for its miraculous properties, has captivated the imagination of pilgrims and believers for centuries.

A Journey to the Past

Step back in time to the 1st century CE, when Jesus walked among the sick and afflicted. According to the Gospel of John, there was a pool near the Sheep Gate of Jerusalem called Bethesda (which means "house of mercy"). It was believed that an angel descended into the pool at certain times, stirring the water and giving it healing properties.

The Miracle of the Invalid

One Sabbath day, Jesus encountered a man who had been paralyzed for 38 years. As the man lay by the pool, Jesus asked him, "Do you want to be made well?" The man's response reflected the common belief: "Sir, I have no one to help me into the pool when the water is stirred. While I am coming, another steps down before me." (John 5:6-7)

Compassionately, Jesus instructed the man, "Get up, take up your bed, and walk." (John 5:8) Miraculously, the man was healed instantly. He picked up his bed and walked away, glorifying God.

The Pool Today

Today, the Pool of Bethesda is a popular destination for pilgrims and tourists alike. The original pool, believed to be the site of the biblical miracle, is located in the Church of St. Anne. The ruins of five porticos, where the sick sheltered, can still be seen.

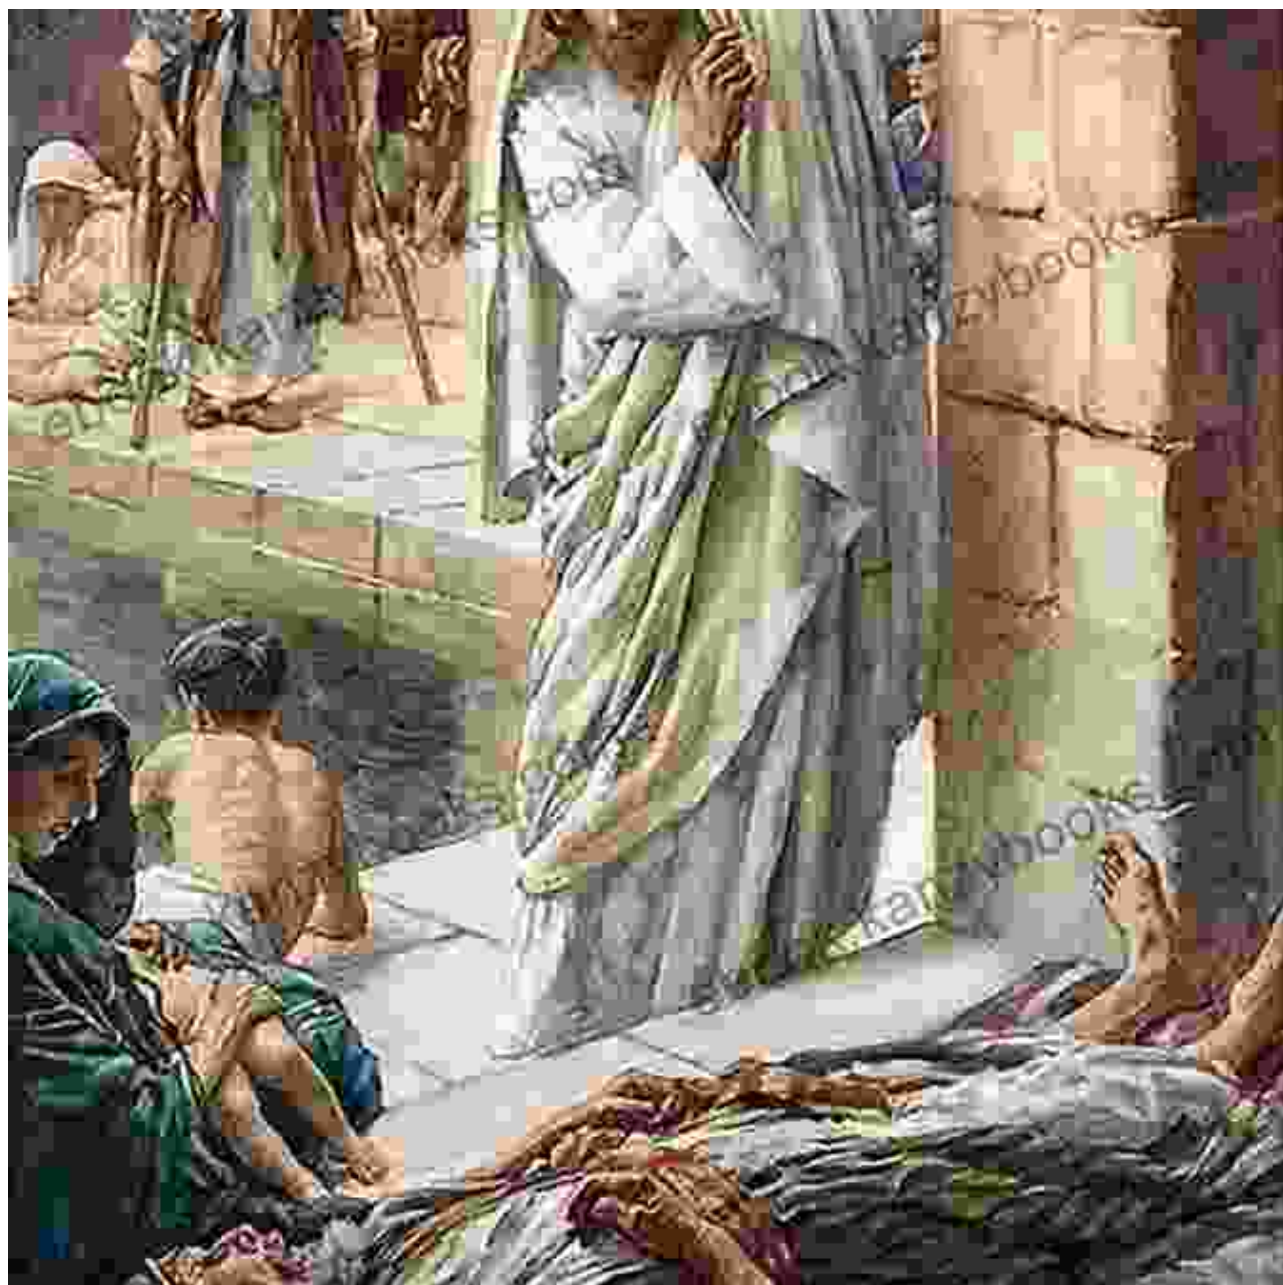

A Symbol of Hope and Healing

The Pool of Bethesda has become a symbol of hope and healing for countless people around the world. Its story reminds us that even in the

midst of suffering, miracles can happen. It encourages us to have faith and trust in the power of prayer.
