### **What Readers Are Saying**

"This book is a delightful and informative journey into the world of prehistory. The poems are lyrical and engaging, the jokes are laugh-out-loud funny, and the riddles are cleverly crafted. But what really sets this book apart are the fascinating facts, which provide a glimpse into a world long gone." - **Dr. Emily Carter, Paleontologist**

"I bought this book for my kids, but I ended up reading it myself and couldn't put it down! It's a perfect blend of education and entertainment. The kids loved the jokes and riddles, and I learned so much from the amazing facts." - **Sarah Smith, Parent**

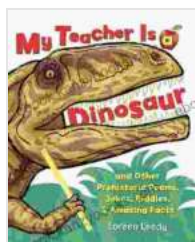

"As a history teacher, I highly recommend this book to my students. It's a fun and engaging way to learn about the prehistoric era. The poems, jokes, riddles, and facts are all thoughtfully presented and make history come alive." - **Mr. John Wilson, History Teacher**

### **About the Author**

Dr. Samuel Stone is a renowned paleontologist and author who has dedicated his life to studying the prehistoric world. His passion for prehistory shines through in his engaging writing style and meticulous research.

Dr. Stone has published numerous books and articles on various aspects of prehistory, including dinosaurs, cave paintings, and the Ice Age. His work

has been praised for its accuracy, clarity, and ability to captivate readers of all ages.
