**Unforgiving**  
**The Ever Living**

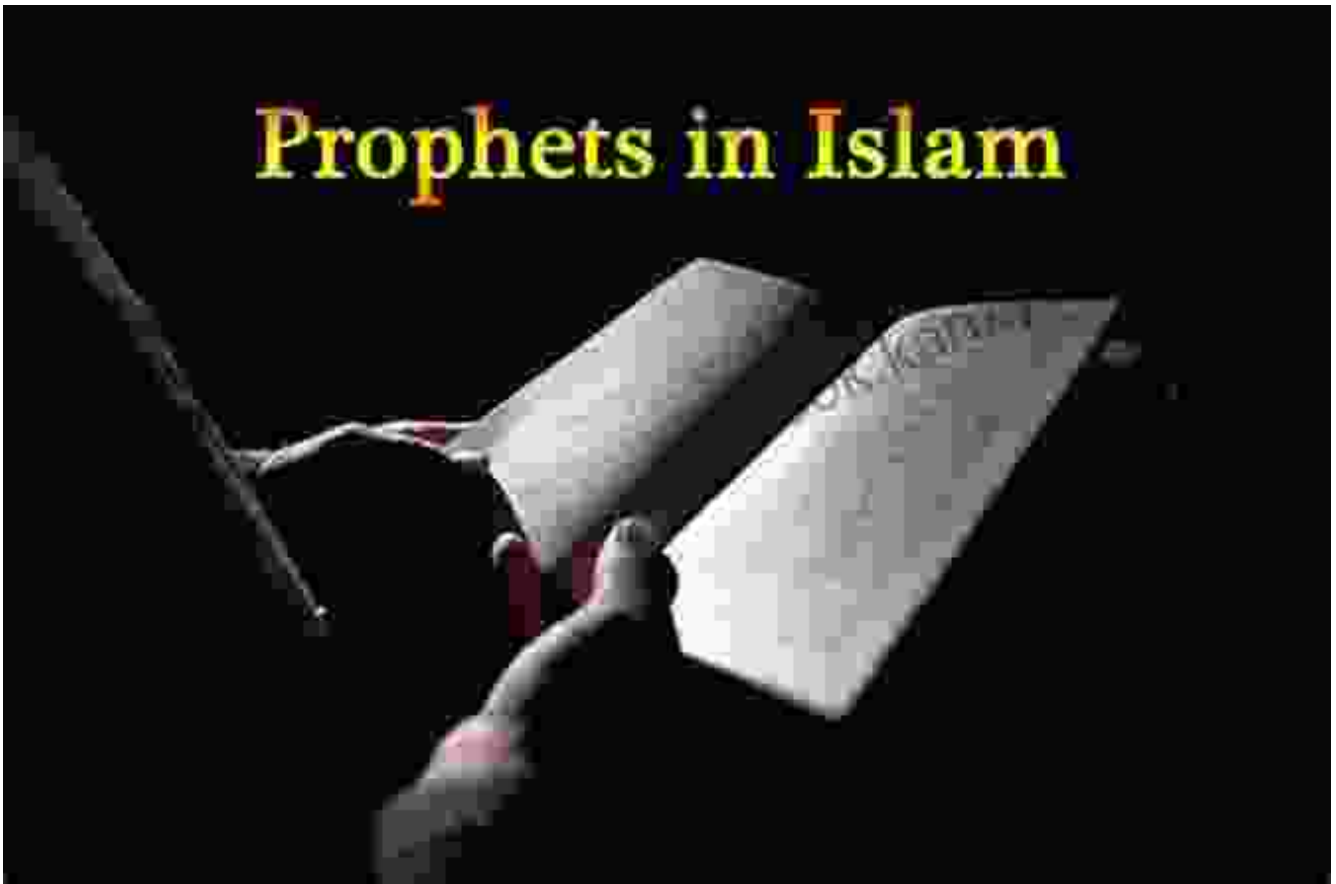

**The Physical**  
**The Loving**  
**The Father**

Muslims use the term 'Allahu Akbar' to mean that God is the greatest and beyond human understanding. They believe that this is further explained through the 99 names of Allah which can be found in the Quran. These names can help Muslims to understand the nature of God better. Below are 3 of the names which can be found in the Quran and 3 more...

## **Prophethood**

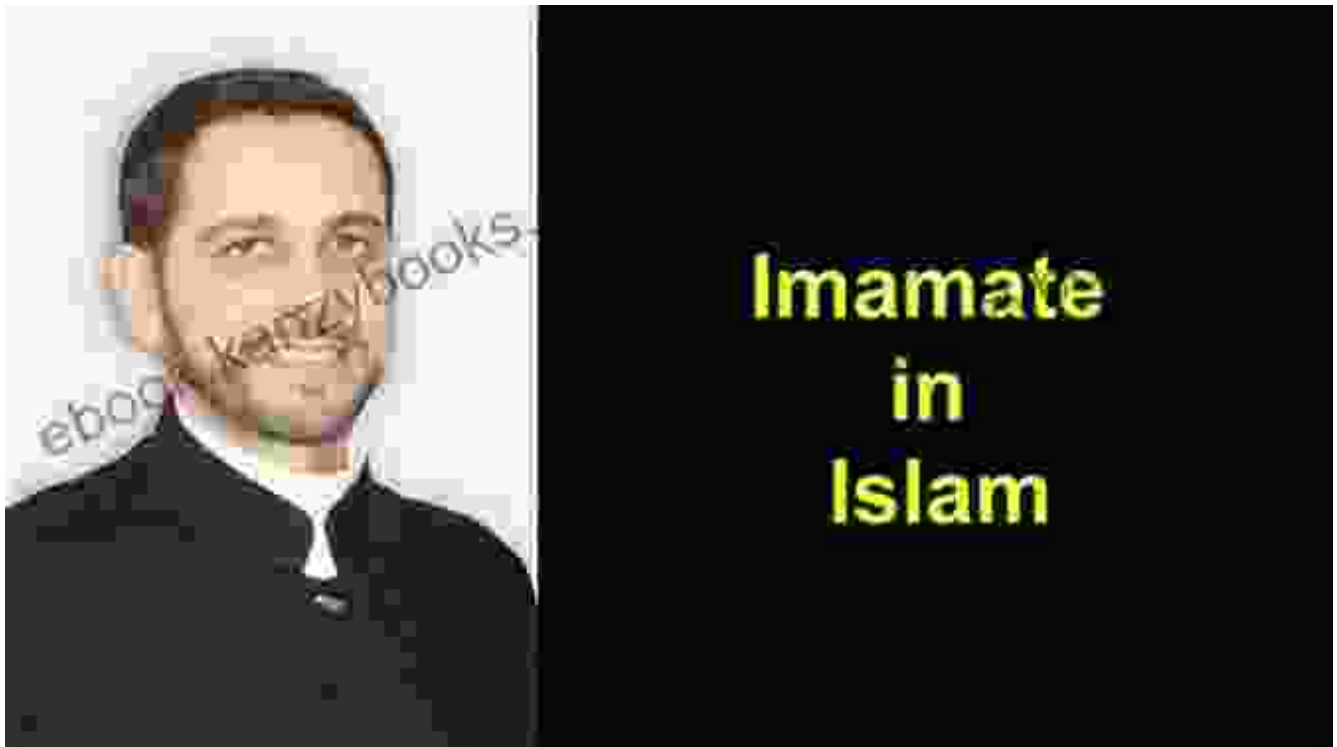

The book delves into the central role of prophethood in Waliyic Islam. It traces the line of prophets from Adam to Muhammad, highlighting their divine mission and the essential teachings they brought to humanity. You will explore the unique qualities and characteristics of the Prophet Muhammad, as well as the significance of his prophethood within the broader context of Islamic history.
